

WE HAVE THE BOTTLE TO DO THINGS DIFFERENTLY.

Some bottled waters are imported from far away countries giving them a high carbon footprint. We don't do this. And other bottled waters are all about shareholder profit. Ours isn't. We donate all our profits to WaterAid. Belu. Made with mineral water and ethics.

All of Belu's profits go to WaterAid. To date we have donated over £2.2M. WaterAid registered charity numbers 288701 and SC039479.
