

All of Belu's profits go to WaterAid. To date we have donated over £1,500,000. WaterAid registered charity numbers 288701 and SC039479.

WaterAid

We wouldn't dream of exporting water to another country. Because at Belu we're 100% carbon neutral. All our bottles are made using recycled glass or plastic. And if all that wasn't enough, all our profits go to the charity WaterAid. Belu. Made with mineral water and ethics.
